 **Carmo**[®]
Wood

A Carmo Wood iniciou a sua atividade industrial em 1980 e é composta por um conjunto de 10 empresas, com sede em Portugal, sendo líder europeu em madeira tratada. Todo o processo de transformação, criação de produtos e desenvolvimento técnico é português. Atualmente tem mais de 350 funcionários.

A Carmo Wood oferece uma vasta gama de produtos no território nacional e além fronteiras, em setores tão distintos como a agricultura, mundo equestre, construção, turismo, lazer, segurança e telecomunicações.

L'activité industrielle du groupe Carmo Wood a débuté en 1980. Ce leader européen dans le traitement du bois est composé d'un ensemble de 10 entreprises. Son siège se situe au Portugal et tout le processus de transformation, de création de produits et de développement technique est totalement portugais. Il emploie actuellement plus de 350 personnes.

Carmo Wood propose une large gamme de produits sur le territoire national et au-delà des frontières, dans des secteurs aussi divers que l'agriculture, le monde équestre, la construction, le tourisme, les loisirs, la sécurité et les télécommunications.

Carmo Wood started its industrial activity in 1980. It is composed of a group of 10 companies, with headquarters in Portugal. It is the European leader in treated wood and the entire transformation, product creation and technical development process is portuguese. It currently has more than 350 employees.

Carmo Wood offers a wide range of products in Portugal and abroad, in sectors as varied as agriculture, equestrian world, construction, tourism, leisure, security and telecommunications.

Na Carmo Wood pensamos na vida ao ar livre!

Chez Carmo Wood, on pense à la vie en plein air !

We think about life outdoors at Carmo Wood!

O que significa a Garantia de 20 Anos?

É o compromisso da Carmo Wood de substituir, qualquer peça tratada em que a madeira tenha totalmente quebrado devido ao ataque prematuro de agentes xilófagos durante os primeiros 20 anos.

A duração da madeira Carmo Wood é de 20 anos?

NÃO, a duração da madeira tratada Carmo Wood é bem mais longa, persistem ainda muitos produtos com madeira Carmo Wood instalados há mais de 40 anos.

Que signifie la garantie de 20 ans ?

Carmo Wood s'engage à remplacer toute pièce traitée présentant une dégradation provoquée par l'attaque prématurée d'insectes xylophages au cours des 20 premières années du produit.

Le bois Carmo Wood dure 20 ans ?

NON, le bois traité Carmo Wood dure bien plus longtemps. Il existe d'ailleurs beaucoup de produits Carmo Wood installés depuis plus de 40 ans.

O What does the 20-year guarantee mean?

It is Carmo Wood's commitment to replace any treated piece where the wood has totally broken down due to premature attack by xylophagous agents during the first 20 years.

Does Carmo Wood timber last for 20 years?

NO, the lifespan of Carmo Wood treated timber is much longer, there are still many Carmo Wood timber products in use that were installed over 40 years ago.
